

Step by Step Health and Wellness  
Sponsorship members

Dear Sir/ Madam

We the staff of Step by Step Health and Wellness are seeking sponsors for our TV show. We are going on our third year on the air. Our program airs every Saturday at 6 pm on Comcast TV 25 in Dekalb County and we are a "fill in program" on People TV on channel 24, in Fulton County, four times a week. By being a sponsor of our program we will advise the public of your product and services three times each program. In addition you will receive a DVD copy of the program. We would appreciate it if you would take this opportunity to sponsor our show Your sponsorship will help us to move to more stations and for you to reach more customers.

We strive in bringing you the best quality work. However if you are unhappy with our work and you wish to cancel your contract or commercial you may do so at anytime. **All paid contracts are non refundable.** Each month your commercial is on it is considered a show.

I am sorry that we do not have the Nielsen Rating system but the studio said that for every call I get about the show I can count that as 1 million people watching. With that being said, we receive ten to fifteen calls per show, depending on the information given on the show. Our show touches on all parts of health from Alzheimer's to zits. looking at it from the Western aspect as well as the Holistic. To educate people on how to take their health in their own hands. By dealing with the Mind ,Body and Sprit..
